

Danex

**High-quality protein and energy source
from toasted full-fat soybeans**

**Optimized nutritional value for use in
piglet & poultry feed**

**Rich in both protein and fat, low in
moisture and fiber**

Available in different structures and sizes

Your Advantages

**Ensures optimal nutrient intake in
young animals**

**Hydro-thermal treatment reduces
the anti-nutritional factors, in
balance with preserving protein and
fat quality**

**Incorporation promotes both the
health and the development of piglets
& poultry**

Long term storage life

**danis
soy & more**

Premium Protein Sources

Product Specifications

Humidity	10%
